

NXP Announces Pricing of Senior Unsecured Notes Offering

December 3, 2018

EINDHOVEN, The Netherlands, Dec. 03, 2018 (GLOBE NEWSWIRE) -- NXP Semiconductors N.V. (NASDAQ:NXPI) (together with its subsidiaries, "NXP") announced today the pricing of the previously announced offering by its subsidiaries NXP B.V. and NXP Funding LLC (together, the "Issuers") of \$1,000 million aggregate principal amount of senior unsecured notes due 2024 (the "2024 Notes"), \$500 million aggregate principal amount of senior unsecured notes due 2026 (the "2026 Notes") and \$500 million aggregate principal amount of senior unsecured notes due 2028 (the "2028 Notes," and together with the 2024 Notes and the 2026 Notes, the "Notes") pursuant to Rule 144A and Regulation S under the U.S. Securities Act of 1933, as amended (the "Securities Act"). The 2024 Notes will bear interest at 4.875% per annum and will mature on March 1, 2024. Interest on the 2024 Notes will be payable semi-annually on March 1 and September 1 of each year, beginning on March 1, 2019. The 2026 Notes will bear interest at 5.350% per annum and will mature on March 1, 2026. Interest on the 2026 Notes will be payable semi-annually on March 1 and September 1 of each year, beginning on March 1, 2019. The 2028 Notes will bear interest at 5.550% per annum and will mature on December 1, 2028. Interest on the 2028 Notes will be payable semi-annually on June 1 and December 1 of each year, beginning on June 1, 2019.

The Notes will be fully and unconditionally guaranteed, jointly and severally, on a senior basis by NXP Semiconductors N.V. and certain of NXP's wholly-owned subsidiaries located in the Netherlands and the United States (collectively, the "Notes Guarantors") and will be structurally subordinated to the liabilities, including trade payables, of NXP's subsidiaries that have not guaranteed the Notes. In addition, the Notes will be effectively junior to all secured debt of the Issuers and the Notes Guarantors, to the extent of the value of the assets securing such debt. The issuance of the Notes is expected to close on or around December 6, 2018, subject to customary closing conditions.

NXP intends to use a portion of the net proceeds of this offering to repay the \$1,000 million aggregate principal amount outstanding under the senior unsecured bridge term credit facility agreement, dated as of September 19, 2018, among the Issuers, the lenders party thereto and Barclays Bank PLC, as administrative agent. NXP intends to use the remaining proceeds for general corporate purposes, which may include the repurchase of additional shares of its common stock.

The Notes will be offered in the United States to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and outside the United States to non-United States persons in compliance with Regulation S under the Securities Act. The Notes have not been registered under the Securities Act and may not be offered or sold in the United States without registration or an applicable exemption from the registration requirements.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of, any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration, qualification or exemption under the securities laws of any such jurisdiction.

No offer or sale of the Notes, as guaranteed by the Notes Guarantors, shall be made in any jurisdiction where such an offer or sale would be unlawful.

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (the "EEA"). For these purposes, a "retail investor" means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended ("MiFID II"); (ii) a customer within the meaning of Directive 2002/92/EC, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC, as amended. Consequently no key information document required by Regulation (EU) No. 1286/2014, as amended (the "PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.
