Cautionary Statement on Forward-Looking Statements

This press release contains forward-looking statements which include statements regarding the offering of the Notes. By their nature, forward-looking statements are subject to numerous factors, risks and uncertainties that could cause actual outcomes and results to be materially different from those projected. The following risks, among others, could affect NXP's business and financial performance: market demand and semiconductor industry conditions; the ability to successfully introduce new technologies and products; the demand for the goods into which NXP's products are incorporated; potential impacts of the COVID-19 pandemic; trade disputes between the U.S. and China, potential increase of barriers to international trade and resulting disruptions to NXP's established supply chains; the ability to generate sufficient cash, raise sufficient capital or refinance debt at or before maturity to meet both NXP's debt service and research and development and capital investment requirements; the ability to accurately estimate demand and match NXP's production capacity accordingly or obtain supplies from third-party producers; the access to production from third-party outsourcing partners, and any events that might affect their business or NXP's relationship with them; the ability to secure adequate and timely supply of equipment and materials from suppliers; the ability to avoid operational problems and product defects and, if such issues were to arise, to rectify them quickly; the ability to form strategic partnerships and joint ventures and successfully cooperate with alliance partners; the ability to win competitive bid selection processes; the ability to develop products for use in customers' equipment and products; the ability to successfully hire and retain key management and senior product engineers; the invasion of Ukraine by Russia and resulting regional instability, sanctions and any other retaliatory measures taken against Russia, which could adversely impact the global supply chain, disrupt our operations or negatively impact the demand for our products in our primary end markets; and, the ability to maintain good relationships with NXP's suppliers. Readers are cautioned not to place undue reliance on forward-looking statements, which speak to results only as of the date the statements were made. Except for any ongoing obligation to disclose material information as required by the United States' federal securities laws, NXP does not have any intention or obligation to publicly update or revise any forward-looking statements in the future. For a discussion of potential risks and uncertainties, please refer to the risk factors listed in NXP's filings with the SEC.
