

## **NXP @Computex 2015 in Taipei**

May 18, 2015 2:19 PM ET

Join us at Computex 2015 to engage with us and our creative products. Events are thirsty work so you will be pleased to hear that we are offering free drinks from our exclusive NFC enabled vending machine. At the same time we will be quenching your thirst for more information on NFC and other future technologies.

All this and more will be available at our New X Possibilities booth.
